

## **NOTICE REGARDING THIRD CIRCUIT COURT MOTION DOCKET FOR APRIL 17, 2020**

### **PLEASE NOTE THAT THE INSTRUCTIONS FOR HEARING YOUR MOTIONS IN 3<sup>RD</sup> CIRCUIT DIFFER FROM THE INSTRUCTIONS FOR HEARINGS IN 4<sup>TH</sup> CIRCUIT**

Below is the Motion Docket of Third Circuit Court for Friday, April 17, 2020. In light of the Order entered by the Tennessee Supreme Court on March 13, 2020 suspending in-person court proceedings, as extended by the TSC Order of March 25, 2020, the Third Circuit Court will entertain certain motions on Friday, April 17, 2020, as designated on the attached Motion Docket, **via video conferencing**.

Please understand that this is the Court's way of providing an avenue for litigants and attorneys to be heard on motions that the Court designates as priority matters. This in no way obligates either party to move forward on the motion and the Court will continue to liberally grant continuance requests. Please remember, we are here to help and to accommodate as much as reasonably possible.

For those motions that do go forward, please note as follows:

1. The Court will conduct hearings on motions designated below by video conference. The docket denotes in blue which motions will be heard by video conference and in red those motions which have been continued by the Court.
2. If your motion is designated to be heard, **please contact the Court's staff to confirm your intentions to go forward on your motion, to provide a telephone number where you may be reached and to be provided details as to the hearing and video conference information.** To participate in video conferencing it will require a download of the Jabber Guest App on the device that will be used for the conference call. Upon your call, a staff member will provide specific details.
3. In support of the underlying purpose of the TSC's suspension of in-person hearings, 3<sup>rd</sup> Circuit Court will **not** require counsel and their client be together at the same location, but will allow counsel and their client to participate remotely. That said, please remember that the Court is extending this opportunity to be heard to accommodate lawyers and litigants should everyone be prepared, willing and able to go forward. We understand that there are unique circumstances to everyone's current situation and will not go forward with the motion if there is an objection by anyone. **Exhibits necessary for the hearing shall be filed by counsel not later than close of business the Wednesday prior to the Friday motion docket.** Remember that both you and your client need to have a copy of the exhibit and a copy should have been forwarded to opposing counsel. If the exhibit has been timely filed, it will be available to the court on the date of the motion, however a "chamber copy" forwarded to: [tamrasjackson@jjs.nashville.org](mailto:tamrasjackson@jjs.nashville.org) would be appreciated. For affidavits, sworn income and expense statements or other exhibits normally required to be notarized, the Court will allow a declaration as set forth under TRCP 72 to help facilitate the preparation of such sworn exhibits.
4. In the event an interpreter is necessary, the use of the State Trial Court interpreter, an interpreter approved by the Administrative Office of the Court or approved by the AOC guidelines is required for motion hearings and it is incumbent on the party requiring the interpreter to secure the same. If an interpreter is necessary, it will be necessary for counsel, his or her litigant and the interpreter to be at the same location maintaining social distances.
5. On Friday, April 17, 2020, the Court will do a first call through the docket beginning at 9:00 a.m. that will be captured on video recording in the courtroom. The Court will call through the docket and announce motions that have been continued, stricken, agreed upon or marked ready.

6. After concluding the first call of the docket, the Court will commence video conferences. The video conferences will be initiated by the court staff and be handled in the order designated by the Court. The Court will attempt to hear 1<sup>st</sup> call matters taking less than 5 minutes first, 2<sup>nd</sup> call matters taking less than 10 minutes next and 3<sup>rd</sup> call matters, which shall be limited to a total of 20 minutes, next. If you anticipate your motion will take longer than 20 minutes total, please contact the Court by Thursday, April 16, 2020 by 12 o'clock noon for a special setting. All video conferences will take place in the courtroom, with a video recording to create a record of the hearings. If you suspect the Court may not have the telephone number where you can be reached to notify you when to check in on the video conference, please make sure to forward your number to the Court by 12:00 noon on Thursday, April 16, 2020.

7. Attorneys and *Pro Se* litigants are still encouraged to communicate prior to the motion docket to try to reach an agreement on any pending motions. The Court will continue to accept announcements for agreed orders, continuances and strikes. Again, the Court is liberally granting continuance requests.

8. Should you need to contact the Court regarding a case on the docket, you may call the Court at: 615-862-5907 or send an email to: [tamrasjackson@jis.nashville.org](mailto:tamrasjackson@jis.nashville.org).

**As always, thank you for your and your client's patience and understanding as the Court navigates through these unusual and uncharted waters. Be safe!**
